## Worksheet: I'm submitting resumes but not hearing back. What should I do?

1. Reflect on your current job search strategy and consider what percentage of your time is spent networking vs writing resumes. Describe how you've been spending your time below.

2. Many master's students avoid networking. What are your three biggest fears or concerns that you have about networking?

3. Review the lessons in the Networking Deep Dive. Which of these lessons will help answer your questions? Make note of them below, along with a date and time when you'll watch the lesson. Make sure to block off the time in your calendar to complete the lessons and remember to set a reminder!
